

RSSi Achieves ISO 27001:2013 Certification

Sterling, VA – January 9th, 2015 – Right Sized Solutions underwent a stringent evaluation process that included Information Security Management System development, documentation review, internal audits, and Internal Audit Training conducted by IMSM (ISO Consulting). We are pleased to announce that Right Sized Solutions was granted ISO Certification 27001:2013 by QAS International Ltd. (QAS is an established certification company that has been operating within the UK and selected international markets for over 20 years.)

Sun Tok Barrass, Right Sized Solutions' President & CEO said that, "We believe that our decision to become ISO 27001:2013 certified is a proactive one that not only anticipates the demands of our customers, but also demonstrates our commitment to providing quality products and services."

This certification is the culmination of years of hard work, consistent top-quality work, and the dedication of our employees at Right Sized Solutions.

ISO 27001 is a set of international standards and guidance documents for Information Security Management. The standard represents an international consensus on good information security management practices, policies and procedures with the aim of ensuring that our organization can, time and time again, deliver the services that meet our customers' requirements.

To maintain our certification, QAS International will perform annual audits to ensure compliance and to assess initiatives for continued improvement.

This certification further strengthens our commitment to adhere to our company policies for continually improving the products and services that will meet or exceed our customers' expectations. Our customers can be confident that Right Sized Solutions is dedicated to maintaining the highest effectiveness and responsiveness in achieving our goal of total customer satisfaction.

About Right Sized Solutions, Inc.

RSSi is a professional services company focused on secure mission systems support to the U.S. Federal Government. As a young Economically Disadvantaged Woman-Owned Small Business (EDWOSB) and SBA 8(a) certified Small Business, we stay focused by concentrating on services in two areas: Management Consulting for Integrated Business Operations Support, and Secure IT Systems Development & Operations. Our Business Management practice is based on the PMP Program Management Body of Knowledge (PMBOK) and is certified under ISO 9001:2008. Our IT practice is based on ITIL and Agile development, and is certified under ISO 20000:2011. We offer these services under our commercial schedule, GSA schedules 70 (IT) and 874 (MOBIS), as well as other Prime and Subcontract vehicles. We are committed to providing Quality services Quickly, while acting as faithful stewards of your resources to give you more than you expect, on time and within budget.
